Anyone who asks for this volume, to read, collate, or copy from it, and who appropriates it to himself or herself, or cuts anything out of it, should realize that (s)he will have to give answer before God's awesome tribunal as if (s)he had robbed a sanctuary. Let such a person be held anathema and receive no forgiveness until the book is returned. So be it, Amen! And anyone who removes these anathemas, digitally or otherwise, shall himself receive them in double.

Foreword

Dearly Beloved,

The Book of Common Prayer(Shimo) constitutes an invaluable asset of the Malankara Orthodox Church's ancient heritage. While this prayer book has been viewed primarily for the use of clergy, it is neverthless true that it is meant for use in the daily prayers of all the Church's members. This priceless jewel of the Syrian worship tradition which has been transmitted to us by the Fathers of the Church, is beeing currently used for the spiritual inspiration and edification of all the believers, in both the original language(Syriac) and translations(Malayalam, English, Telugu, Hindi etc.) Even though vernacular translations possess more relevance and appeal, the Syriac original possesses a unique flavour and flow. In any case the quest to raise up hands of prayer and to have fellowship with God surely will not be impeded by the medium of expression, whether it is Syriac, Malayalam or any other language.

This Syriac version of the prayer book which has been edited and published by successive generations of Malpans hailing from the venerable and learned Konat family, has now been taken up and published by the "Malankara Orthodox Church Publications". Our hope and prayer that this publication will serve to edify all the children of the Church.
